Jim Ellis is the creator of The Ellis Insight and senior political analyst for the Business-Industry Political Action Committee (BIPAC). He reports on trends, characteristics, and tendencies in American elections for political action committees, associations, and legislative advocacy firms.

He formerly provided political consulting services to the House Republican majority through 2006, has run two national political action committees, and managed successful political campaigns.

Mr. Ellis speaks on electoral politics, is a regular on the Sunday Morning Newsmakers with Larry Marino radio show in Los Angeles, and has been interviewed on many national and local radio programs. He previously appeared as a debate participant on the CBS morning news program in Washington, D.C.
